Rate Notice & Agreement

Standard Hourly Rate is \$75 per hour per investigator. This is “portal to portal”, which means that you will be billed from the time we leave the office until time of return.

If we need to use more than one investigator you will be billed per hour, per investigator. You will be notified directly (by phone if possible) when this is needed. The need for more than one investigator is rare.

Mileage Reimbursement is 50 cents per mile. Portal to portal. New rate issued by the IRS, effective January 1, 2010.

GPS Tracker is \$20 per day plus cost of installation & removal (standard hourly and mileage).

Video Surveillance Vehicle is \$100 per day plus the cost of drop off, pick up and battery changes. It takes two people to pick up and drop off the vehicle. Battery changes occur once every 24-hour period and require only one person.

Any other expenses incurred working on your case (for example-road tolls, parking garage fees, equipment etc.) will be billed to you for reimbursement. Please print, sign and date below indicating that you understand and accept these fees.
